# THE MIDLANDER

VOLUME XIII

1938

*Published by the*
*Senior Class*
*of*

STATE TEACHERS COLLEGE

MURFREESBORO, TENNESSEE

# FOREWORD

*When fire and flames, now burning so brightly, soften to a mellow glow, and glamorous dreams of student life come crowding into memory's twilight; when friendship and acquaintances gently call for recognizance from the haze of college days—if then, through these pages, you can recall the perhaps forgotten joys of life at S. T. C., our desire will be accomplished, our fondest hopes fulfilled.*

# DEDICATION

*In recognition of the wisdom and affection with which they have so greatly influenced us and our school, we humbly, yet proudly, dedicate this volume to our Mothers and Fathers.*

EMMETT N. KENNON

# Raiders Down Memphis 20-6 to Open Season

Murfreesboro, Tenn.—September 24, 1937. The S. T. C. Blue Raiders set sail on the 1937 football season Friday night when the local crew hoisted anchor and cruised to a well-earned 20 to 6 victory over the West Tennessee State Teachers College.

Just before the first period closed Murphy, Smitherman, and Hambrick had alternated on a series of plays that placed the ball on the two-yard line. At the start of the second quarter Hambrick drove over the line for the first six points of the game and season. Hambrick's attempted extra point from placement was wide.

Midway in this same period Woody Smitherman intercepted a Memphis pass on the Tiger's 41-yard marker. A pass, Smitherman to Hambrick, placed the ball on the four-yard line from which position Smitherman passed to Murphy for six more points. Hambrick kicked the extra point to make the score 13 to nothing in favor of the Raiders.

The timekeeper's whistle ended a possible West Tennessee score the first half. Straight plays had proven successful and helped place the ball on the seven-yard line for the visitors, but the half ended before they could make a touchdown.

After a quiet third quarter with neither team gaining any advantage the Raiders opened the last period in a rush that ended on the one-yard line. Here Memphis took the ball and before giving it up again had marched up field and scored on a pass, Ellis to McMackin. McMackin's attempted extra point was blocked by Wasson.

The final Raider score came in the latter part of the game when John Hambrick threw a 25-yard pass to Shorty Campbell who rambled the remaining distance for a six-pointer. Smitherman place-kicked the extra point to finish the scoring for the night.

Captain Troop, Hoover, Thompson, and McIntire were the mainstays in the Raider line in this opening game.

# Murfreesboro Eyes S.I.A.A. Championship with Wins Over Ala. Teams

Troy, Alabama, October 1, 1937.—On a mud-soaked field and in blowing rain most of the game the Blue Raiders made it two straight in the conference win column here tonight, when they trounced the Troy, Alabama, Teachers 13 to 0. The weather and conditions of the field made the game a very slow and uninteresting affair, however.

During the first quarter straight running plays and a few passes were tried by Coach Floyd's charges with the passing attack being the most successful. Smitherman's punts against the blowing rain also kept the locals in good positions on the field. Most of the game was played in Troy's territory, but numerous fumbles on the part of the Raiders when they were in scoring position made the score much lower than the fans anticipated.

The first score came the latter part of the second quarter. A short pass from the twelve-yard line, Smitherman to Murphy, accounted for the first six-pointer. Smitherman's try for extra point from placement failed.

In the third quarter, another drive was made deep into Troy land and after a series of plays placed the ball on the four-yard line John Hambrick drove over tackle for the second score. Hambrick also kicked the extra point.

During the latter part of this quarter Coaches Floyd and Jackson began substituting freely. In the fourth period the Trojans opened their pass attack, but it netted them nothing. The subs kept the game in Troy's territory most of the time with passes and a clicking ground game.

Smitherman kept Troy in their own territory practically all evening with his coffin-corner quick kicks.

## S.T.C. Swamps Jackson, Ala., 27-0

Murfreesboro, Tenn., October 8, 1937.—The Blue Raiders annexed their third straight conference win Friday night and amassed against their foe from Jacksonville, Ala., a larger number of points than they have scored in quite some time. The final score, after every Raider in uniform had played, was 27 to 0.

The first touchdown came after Smitherman had intercepted a pass on his own 35-yard line and returned it to the 41. On the next play fleet-footed Bubber Murphy slipped over his right tackle, cut back, and completely outran the Alabama secondary for 59 yards and the touchdown. Hambrick converted from placement.

The second score came in the middle of the second quarter after the Raiders' defense had stopped the Alabamians. A long pass, Smitherman to Hambrick, placed the ball on the five-yard line where Hambrick drove the ball over in three line plays. The try for extra point failed.

The half ended with the Raiders in possession of the ball on Alabama's ten-yard line.

In the third period the Murfreesboro boys got on another scoring spree, making two touchdowns and two extra points. A short, over-tackle drive by Meachum accounted for one six-pointer, while Shorty Campbell made six more from close range via the over-tackle route. Campbell also accounted for the extra points after both touchdowns.

# Floydmen Lose First Game in Two and a Half Years as Title Fades

Murray, Ky., October 15, 1937.—The Blue Raiders suffered their first conference defeat in two and a half years and their second loss in nineteen games when they bowed to the Murray Thoroughbreds here tonight 21 to 14. All of the scoring was done in the last half, with each team scoring once each in the fading minutes of the third quarter with the final tallies being made in the last quarter.

Action was fast and scoring threats were numerous the first half as both teams advanced into the pay-off territory, but could not score. The Murray eleven threatened first after a drive of power placed the ball on the Raider eight-yard line. Jaybird Hamblen broke through to stop a driving Murray back for a 12-yard loss and end the threat.

The Raiders' move into Murray territory came as a result of a long kick by Smitherman that hit the Thoroughbred safety man and was covered by J. B. Thompson for the Murfreesboro eleven. After advancing the ball to the ten-yard line and with six points on their minds, a fifteen-yard penalty was called against the Raiders to stop the march.

In the last part of the third quarter the Raiders led for eleven short plays by a one-point margin. After the Murray men had scored to lead the Raiders by a touchdown, Bubber Murphy gathered in a Murray punt and galloped 76 yards untouched for a touchdown. John Hambrick place-kicked the extra point perfectly to give the Raiders their short lead.

A field goal and two touchdowns finished the scoring for the winners and gave them a grand total of 21.

Bubber Murphy duplicated his first touchdown feat in the latter part of the fourth period when he galloped over his left tackle, reversed his field, and raced over the goal for the final touchdown. Hambrick place-kicked the extra point to bring the Raider's total to 14.

# Blue Raiders and Tech Battle to a Tie in Home-Coming Game

Murfreesboro, Tenn., October 22, 1937.—The Tech-Raider game here last night made the Teachers home-coming a success, but as far as giving either team the satisfaction of winning, it proved a flop, as the game ended in a 13-13 deadlock. A touchdown by the Eagles in the fading minutes of play gave the Cookeville eleven the tie, but Birdsong's failure to drop-kick the extra point gave the Raiders the tie.

Despite the severe cold, between 2,500 and 3,000 fans watched the Raiders and Eagles battle to their fourth tie in the thirteen games played between these two arch rivals.

The Floydmen welcomed the alumni back with a classy offense that netted them seven points before they lost possession of the ball. A variety of plays that sported both passes and fast running attacks netted the touchdown in fine style. Murphy drove over from the four-yard line to tally the marker, and Hambrick converted from placement to bring the total to seven.

A blocked kick recovered over the goal by a T. P. I. lineman netted the visitors their first score. Both teams had threatened just a few minutes before but neither could add the necessary punch. This break for the Overall team put them back in the game as Birdsong drop-kicked the extra point to tie the score.

The Raiders were not to be tied long, however, as John Hambrick broke through a good hole in the Tech line, and with shifty hip-shaking and plenty of speed, raced unmolested over the goal for a touchdown. His try for the extra point from placement was wide.

With fourteen minutes to play, after an uneventful third quarter, the T. P. I. eleven started their dirty work. Two completed passes placed the ball on the Raider one-yard line. Three plays later Birdsong, who had been doing all the Tech work, slipped around end for the touchdown to tie the score for the second time. His chance to win, however, was missed as an attempted drop-kick went astray.

## S.T.C. Runs Roughshod Over Peay

Murfreesboro, Tenn., November 5, 1937.—In a very quiet and dull game here this afternoon the Blue Raiders drubbed the Austin Peay Normal 19 to 0.

The local pedagogues received the kick-off and marched to the Austin Peay eight-yard line where they were stopped cold by the sterling play of the Clarksville eleven.

At the start of the second quarter Coaches Floyd and Jackson substituted their second team with the exception of Hamblen, regular end. With a consistent ground game that went through the opposing line the subs marched to the one-yard line where S. Smith was chosen to carry it over. A pass, F. Smith to Seay, was good for the extra point.

The next two tallies were scored in the third and fourth quarters. Woody Smitherman plunged over left tackle for three yards, after a sustained Raider drive had put the ball at this close range, for the second six-pointer.

F. Smith accounted for the last touchdown after the Blue and White clad men had marched to the one-yard line.

THRELKELD
THOMPSON

# Blue and White Team Beats Strong Delta Eleven 7-0 in Thrilling Battle

Murfreesboro, Tenn., November 12, 1937.—A long pass from Woody Smitherman to Jaybird Hamblen near the middle of the second quarter this afternoon accounted for the first six points of a 7 to 0 victory for the Blue Raiders over a powerful Delta State Teachers eleven.

The Raiders, playing as fine a brand of football as has been witnessed by Murfreesboro customers since the historic defeat of Murray, Kentucky, here last year, came into possession of the ball when Yates broke through the Clinton, Mississippi, line and blocked a Delta punt.

With the ball on the Delta 26-yard line, quarterback Smitherman faded back and tossed the ball far down to the goal, where Hamblen took it from the air and stepped over the zero-marker for six points. John Hambrick set his talented toe under the ball to send it between the goal posts for the extra point.

The visiting eleven threatened three times during the first half of the game. The first march to the glory land was stopped by a fumble on the twelve-yard marker. The Raider line could not be passed on the other two Delta trips into dangerous territory as they held for downs on the eight-yard marker two consecutive times.

The third quarter was uneventful as neither team could make any substantial gains.

In the fourth period Delta State took the ball on their own three-yard line where they had stopped a Raider drive, and on four plays had carried the pigskin to the Raider eighteen. Seay intercepted a pass on the fifth play to end the score-bent drive.

Fighting hard throughout the entire four periods, both Delta and the Raiders presented an excellent exhibition of offensive and defensive football. The S. T. C. defense seemed much improved, if judging is to come from the number of shoestring tackles that brought tragic ends to Clinton's attempted runs, some of which succeeded for long gains.

# S.T.C. Crushes T.P.I. 29-0 in Annual Turkey Day Game

Cookeville, Tenn., November 25, 1937.—Call it a blaze of glory, a final stepping on the gas, the last salute, or what you like, but the Blue Raiders beat the tar out of Tennessee Tech Eagles here this afternoon by the score of 29 to 0. This was the worst defeat of either team since 1929 when the two clubs started the Turkey-day game.

A crowd of three thousand people watched a thrilling game with the T. P. I. boys, led by Tully Birdsong running all up and down the field, but never scoring. The seniors on the Floyd and Jackson eleven gave the spectators plenty to remember them by as they took time out from their regular fine play to score all the points also.

Jaybird Hamblen, standing in the end zone, scored the first touchdown when he took a fifteen-yarder hurled by Woody Smitherman. Hambrick failed to convert.

Three of the seniors accounted for the second score which came midway in the second quarter. Hambrick, standing on the T. P. I. fifteen, passed to Smitherman on the nine. Smitherman was tackled just as he caught the ball, but before falling he lateraled to Joe Troop who breezed over the goal for the score. Hambrick failed to convert.

Then after Smitherman, who returned to his old kicking form, had deposited one in the coffin corner on the seven-yard line, Hamblen went through to recover Birdsong's fumble over the T. P. I. goal. Hambrick added the extra point.

Early in the fourth quarter Troop recovered Ewing's fumble on the thirty-five, a pass, Smitherman to Hambrick, put the ball on the six, and three plays later, standing on the fifteen, Hambrick place-kicked a field goal.

Robert Seay, another senior, pulled the curtain on his four years of hard work on the Raider squad with another brilliant play. Seay replaced Hamblen late in the game and no sooner had he felt the sod under his feet than he took a thirty-five-yard pass from Smitherman to gallop within one yard of the promised land. Two plays later Bubber Murphy skirted left end for the score with no opponent near him.

# Pre-Season Dope False as S.T.C. Has Dull Cage Campaign

At the beginning of the 1937-38 basketball season the Raider prospects for a winning team—a team that would rate high in the S. I. A. A.—were exceptionally bright. Several promising cagesters moved up from last year's freshman ranks that, coupled with the capable letter men returning, made the prognosticators rank the Floydmen high in the conference.

The material did develop into a fairly formidable combine, but their won and lost average was not one to be exceptionally proud of. Although the record of six wins and eight losses is not quite a five hundred season it was an improvement over the Raider's record of last season.

One of the main reasons for the low average was due to the fast competition the Raiders were in during the season. David Lipscomb, Murray, Tennessee Tech, and Union were four of the teams on the Raider's schedule and each of these schools boasted the best combinations in the history of their athletic programs and they showed their prowess as each of them tromped the Raider hardwoodites twice during the season.

David Lipscomb opened the Murfreesboro fives' card and they almost doubled the score on the Raider cagemen, 48 to 29. The world's champion Celtics gave an exhibition at Auburntown with the Floydmen as the victims.

West Tennessee and Cumberland were the only two schools the Raiders could handle twice during the season. Two independent teams were the others to bow to S. T. C. to give the Raiders an even six victories.

Captains Bubber Murphy and Shorty Campbell, with the aid of Fisher Morton, handled the greater part of the Raider point making during the seasons'

## Briefs

Coach O. L. Freeman produced another good freshman basketball team this season as his yearlings copped most of their games. The Blue Raider varsity opened the season with the Celtics and had a better time in this game than any other. The world champs were good to the Floydmen although they did make them look mighty bad at times—which is their business. A one-point margin was all that the Raiders could get over the West Tennessee Teachers as they copped two games from the Memphis team by a very narrow one-point lead.
